

Product Name :
R-290 Refrigerant

Product Code :
TEST5186RFQLAB-0005

Description :

R-290 Refrigerant

Technical Specification :

R-290 refrigerant

Non-refillable cylinder

R290, refrigerant grade propane, a natural, or "not in kind", refrigerant suitable for use in a range of refrigeration and air conditioning applications.

The use of R290 is increasing due to its low environmental impact and excellent thermodynamic performance. It is non-toxic with zero ODP (Ozone Depletion Potential) and very low GWP (Global Warming Potential).

It is a flammable refrigerant and therefore not suitable for retrofitting existing fluorocarbon refrigerant systems.

Size: 11kg
