

Product Name :
Automatic Level

Product Code :
TEST5194RFQLAB-0033

Description :

Automatic Level

Technical Specification :

Automatic level
IP54 dust and splash water protected
Distinctive design and proven technology, inside and out
Protected shape for increased ergonomic handling while ensuring the highest quality results
Simple handling for quick and accurate measurements for levelling needs
Magnification: 32x
Objective diam: 38mm
Shortest focusing distance: 0.3
Working range of compensator: +/- 15 in
Levelling accuracy: +/- 0.5
Circular circle: 8/2mm
Horizontal circle: 400gon13/360 digger
Dust/waster production: Ip54
Weight: 1.5kg.

Testing lab instruments India
